

THE LIST OF APPLICATIONS DECLARED AS ELIGIBLE FOR FUNDING IN THE TEACHER GRANTS PROGRAMME				
No.	Applicant	Faculty	Project title	Project grant
1.	Chudzicki Jarosław	Faculty of Building Services, Hydro and Environmental Engineering	Creating a didactic laboratory for sanitary installations at the Faculty of Building Services, Hydro and Environmental Engineering	PLN 77 383,50
2.	Jakubowska Małgorzata	Faculty of Mechatronics	Creation of novel subject entitled „Printed electronics” as a elective course for the MSc students	PLN 100 000,00
3.	Kraśniewski Andrzej	Faculty of Electronics and Information Technology	Development of a new second-cycle degree programme in Internet of Things (IoT) Engineering	PLN 100 000,00
4.	Krawczyk Piotr	Faculty of Power and Aeronautical Engineering	Developing a package of courses that make up the wind energy school, which is a key element of the modernized education program in the field of Energy	PLN 97 750,00
5.	Makowski Łukasz	Faculty of Chemical and Process Engineering	Development and launch of the Green Technologies in chemical engineering specialization in second-cycle studies in the field of chemical and process engineering	PLN 85 829,00
6.	Michalak Hanna	Faculty of Architecture	Preparation and implementation of the design subject Structural Forms Design in the field of architecture at the unified master's degree studies	PLN 99 050,00

7.	Ręzińska Katarzyna	Faculty of Geodesy and Cartography	GeoSpatial Virtual Reality & Planning AR Laboratory	PLN 66 125,00
8.	Umiejewska Katarzyna	Faculty of Building Services, Hydro and Environmental Engineering	Creation of the didactic laboratory for chemical wastewater treatment with special emphasis on advanced oxidation processes (AOPs)	PLN 99 690,00
9.	Ura-Bińczyk Ewa	Faculty of Materials Science and Engineering	Forensic material analysis and engineering	PLN 99 279,50
10.	Wojtchnik Robert	Faculty of Mechanical and Industrial Engineering	Development of methods of designing information systems based on methods and tools from various fields	PLN 66 035,45
11.	Zaczek-Peplińska Janina	Faculty of Geodesy and Cartography	Organization and equipment of the Displacement and Deformation Monitoring Laboratory	PLN 95 317,70
